Mr. Jaffe:

I am writing this letter in support of the petition to ban the forced molting of layer hens (docket 98P-0203/CP).

I am a vegetarian and when I read about the maltreatment of animals for financial gain I am outraged. I feel that it is your job to keep things like forced molting from happening. If you can't do it, we will have to put someone in there who can.

Disappointed Humanitarian,

Nick Generalovich
